MINI-VINNIES AND SCHOOL COUNCIL

A huge thank you to our School Councillors and Mini Vinnies who have continued to run book sales this week following on from the successful start after school last Friday. What a great way to celebrate national storytelling week.

They have also been busy hiding hearts around the local community to mark Children's Mental Health Week next week.

Keep a look out for one of the hearts, feel free to take it home, and share a photograph with us on Facebook or Twitter to let us know you have found one! #myvoicematters

B-GEN PARTNERSHIP

Year 6 had a brilliant time at B-GEN this morning finding out all about the role of an engineer. The children saw the designs that they created in school being turned into reality using laser cutting machines. TERM TIME HOLIDAYS

A reminder that children should not be taken out of school during term time for holidays. Term dates for this year, and next year are published online and in your child's planner for you to refer to when booking holidays to ensure that family holidays are not booked when the children should be in school. This is especially important for children who will be completing statutory assessments during the summer term.
